(1) The participant shall forfeit all rights to payments under such contract and refund all payments previously received together with interest; and

(2) Pay liquidated damages to CCC in such amount as specified in the contract.

§ 1439.352 Executed PRP contract not in conformity with regulations.

If, after a PRP contract is approved by CCC, CCC discovers that the PRP contract is not in conformity with the provisions of this part, the provisions of the regulations in this part shall prevail and the contract may be terminated.

Any person who is dissatisfied with a determination made with respect to this part may make a request for reconsideration or appeal of such determination in accordance with the appeal regulations set forth at parts 780 and 11 of this title.

§ 1439.356 Refunds to CCC; joint and several liability.

(a) In the event there is a failure to comply with any term, requirement, or condition for payment or assistance arising under this part, and if any refund of a payment to CCC shall otherwise become due in connection with this part, all payments made in regard to such matter shall be refunded to CCC, together with interest as determined in accordance with paragraph (b) of this section and late-payment charges as provided for in part 1403 of this chapter.

(b) All persons with a financial interest in the operation or in an application for payment shall be jointly and severally liable for any refund, including related charges, that is determined to be due CCC for any reason under this part.

(c) Interest shall be applicable to refunds required of the livestock owner or other party receiving assistance or a payment if CCC determines that payments or other assistance were provided to the owner and the owner was not eligible for such assistance. Such interest shall be charged at the rate of interest that the United States Treasury charges CCC for funds, as of the date CCC made such benefits. Such interest that is determined to be due CCC shall accrue from the date such benefits were made available by CCC to the date of repayment or the date interest increases in accordance with part 1403 of this chapter. CCC may waive the accrual of interest if CCC determines that the cause of the erroneous determination was not due to any action of the livestock owner or other individual or entity receiving benefits.

(d) Interest otherwise determined due in accordance with paragraph (c) of this section may be waived with respect to refunds required of the owner or other program recipient because of unintentional misaction on the part of the owner or other individual or entity, as determined by CCC.

§ 1439.357 Miscellaneous.

(a) Any remedies permitted CCC under this part shall be in addition to any other remedy, including, but not limited to criminal remedies, or actions for damages in favor of CCC, or the United States, as may be permitted by law.

(b) Absent a scheme or device to defeat the purpose of the program, when an owner loses control of PRP acreage

due to foreclosure, CCC may waive the demand that could otherwise be made for refunds.

(c) Payments under this subpart are subject to provisions contained in Subpart A of this part including, but not limited to provisions concerning misrepresentations, payment limitations, limitations on eligibility tied to the person's gross income, and refunds to CCC, liens, assignment of payments, and appeals, and maintenance of books and records. In addition, other parts of this chapter and of chapter VII of this title relating to payments in event of death, the handling of claims, and other matters may apply, as may other provisions of law and regulation.

(d) Any payments not earned that have been paid must be returned with interest subject to such other remedies as may be allowed by law.

(e) No interest will be paid or accrue on benefits under this subpart that are delayed or otherwise not timely issued unless otherwise mandated by law.

(f) Nothing in this subpart shall require a commitment of funds to this subpart in excess of that determined to be appropriate by the Deputy Administrator and/or CCC.

(g) Any payment otherwise due under this subpart will be reduced to the extent that it is determined that such payment produces a duplicate benefit under another program operated by the Department of Agriculture and that to make such duplicate payment would be contrary to the purposes of the program.

(h) In no instance may the amount expended under this subpart exceed \$39.912 million.

(i) Payments under this subpart shall be made without regard to questions of title under State law and without regard to any claim or lien against the crop, or proceeds thereof, in favor of the owner or any other creditor except agencies of the U.S. Government. The regulations governing offsets and withholdings found at part 1403 of this chapter shall be applicable to PRP contract payments.

(j) Any producer entitled to any payment may assign any payments in accordance with regulations governing assignment of payment found at part 1404 of this chapter.
